

Enrichment Through Culture Volunteer Interest Form

Makeup

The hair and makeup crew puts the finishing look on the performers for show time. The stylists/makeup artists are responsible for setting up the materials and equipment needed for the run of a production and completing everyone's hair and make-up for each dress rehearsal and performance.

Volunteers should have a working knowledge of hair styling and/or makeup application and be able to work quickly with a variety of performers. The crew must be available before every call time on every dress rehearsal and show day.

Stylist/Makeup Artist:

- * Prepare and maintain wigs for particular characters.
- * Style performers' hair for every dress rehearsal and performance
- * Apply makeup, including effects such as aging, injuries, blood, etc.
- * Create and apply special effects such as prosthetic appliances
