- 7:45 PM "A Treatment Plan for Battling Burnout"  
by Dr. Becky Krull

The March membership meeting of the NWVMA will be held on Wednesday evening, March 13<sup>th</sup> at **Monk's Bar and Grill** in Eau Claire. Monk's is located at 3560 Oakwood Mall Drive in Eau Claire. See their webpage at [www.monksbarandgrill.com](http://www.monksbarandgrill.com).

A **buffet dinner** will be served at 6:30 PM. The entrées include: sliced beef and roasted chicken. The buffet also includes salad, potatoes, vegetables, and rolls. The meal drinks include: water and a choice of coffee, tea or milk. Each meal costs \$25 per person. ***Please return your reservation before March 8th*** so that we have an accurate count on the number of meals.

Our evening program will be a discussion on battling veterinary burnout by Dr. Becky Krull, a practicing veterinarian and clinic owner from Green Bay. Dr. Krull helps other veterinarians find equilibrium in their work and daily life. She will discuss the daily struggles of working in a high paced, high stress profession, as well as being a spouse and a mom. She is a dynamic and engaging speaker. We hope you can join us. A special election for our President-Elect will take place at this meeting, since the position was not filled at our last meeting. Dr. Elizabeth Hillebrand has been nominated, but nominations will remain open until the election at the meeting. This is a good opportunity to become more involved and participate in our local veterinary association. Contact Dr. Jennifer Bauer if interested in this position.
