Malaria Bed Nets - Thinking outside the Box - None’s - Young Adults in Mission

What do these things have in common?

They are all issues discussed at the NW WI Synod Assembly held in Eau Claire June 7 & 8th.

The focus of this year’s Assembly truly was on “thinking outside the box” in mission as well as within the church. On Saturday evening we listened as several people who do not attend church, and really do not want to attend church, speak about what it is about the church that they do not wish to be a part of it. What I heard from each one is that in some way the church has failed them, concentrating on rules rather than relationships, caring, support, and God’s love. The relationships that we form with one another are important; living relationship as Jesus did is important; caring for one another and supporting one another is important. They said that being genuine, living what we believe throughout the week and not just on Sunday morning is important. In fact, one said that he wanted a church that when he walks in he is greeted with a “hi” and a “smile.” He said he wanted to feel as if it was important that he was there. He wanted a church that when his car broke down he could count on someone from the church to help him. As I listened to the panel speak, I realized that what they were saying is exactly how Jesus did ministry. Jesus welcomed and cared about all. Jesus ministered to people in an individual way that was needed at that moment. Jesus preached and spoke of God’s love, but always as he fed and comforted, healed and raised from the dead. So how do we live in that way? How can we be known as the church who cares and is willing to help those outside of our walls here at LLLC?

A special offering was taken for the Malaria Bed Net project. Although new malaria cases are down as a direct result of the use of bed nets, malaria continues to be a devastating problem in Africa. Money is continually needed to buy bed nets as we continue to fight this way too prevalent disease.

Several resolutions were brought forth at the Assembly:

1. To change from yearly assemblies to biennial assemblies. This resolution was referred to the Synod Council to explore the implications and practicality;

2. To extend voting privileges to retired clergy. Currently, retired clergy do not have voting privileges at the Assemblies. This resolution would nominate a certain number of retired clergy to have voting privileges at the assemblies. This also was referred to the Synod Council for review.

To review the 2014-15 Mission Plan for the NW WI Synod, a copy of the Synod Assembly booklet is on the usher’s table in the Narthex. If you would like a copy of the Mission Plan, or any part of the booklet, please come to the church office and we will be glad to make a copy for you – or you can go on the Synod website at www.nwswi.org for more information.

I want to thank Dianne Zaiser and Mary Ann Solie for attending the Synod Assembly as our Lay delegates for this year! …And don’t forget, we need delegates for 2015!

Who’s Who?

Visitors—Erik & Bebsie Jensen
Members—Doug & Bonnie Johnson
“Working Together” was the theme of the 2014 NW Wisconsin Synod convention held at UW-Eau Claire on June 7th and 8th. The theme was based on 1 Corinthians 3:9. “For if we are God’s servants working together you are God’s field, God’s building”. MaryAnn Solie and Dianne Zaiser, lay delegates and Pastor Mary Strom, Clergy delegate represented Long Lake Lutheran Church. Worship, fellowship, sharing ideas, education, singing, attending to the business of the Synod and meeting old friends and making new were all part of the two day event. It was inspiring and informative to be with others in our synod all trying to make a difference in their churches and communities.

Some highlights of the event were as follows:

A panel of “nones” who were interviewed and shared their views of church. These are people who answer “none” when asked what their church affiliation is. It is estimated there are about 400,000 of these people in northern Wisconsin. It made us realize that the mission field is right in our back yard and helped us to understand some of the reasons people do not come to church. There were eight people on the panel and many believe in God and pray but simply do not go to church and do not see how their lives would be different if they did go.

Getting acquainted with the synod staff. We have had a new Bishop, Rev. Rick Hoyme, for one year and now we have two new assistants, Rev. Laurie Skaw-Anderson and Rev. John Sutherland. We witnessed them in leadership positions during the weekend. Both were installed at the Sunday morning worship service.

Learning more about the Malaria Initiative. While the bed net project has helped immensely in reducing nighttime exposure to mosquitoes, it does not address the daytime risks. The Malaria initiative will raise and donate funds for medications and other preventative measures in countries with high rates of Malaria.

Mission Minutes. These “minutes” happened sever times during the weekend when people from both large and small congregations shared how they came up with an idea and got projects going in their churches and communities.

Thank You for the opportunity to represent Long Lake Lutheran. It was the first time as a delegate for me and I very much enjoyed the experience and encourage others to volunteer for this in coming years.

LIVING A STEWARDSHIP LIFESTYLE

When we discuss stewardship, we may immediately start to think of giving our time and money. Stewardship certainly involves giving and serving, but, even more, our stewardship is incorporated into a way of life. It does not consist of just isolated events. When God’s word and love fill our hearts and minds, our stewardship becomes a lifestyle. As a lifestyle, it defines who we are and what we do. It is our vocation. With Transformed hearts, we express our faith in the way we live our lives. Through faith, God provides motivation and power to live the Christian life in a growing awareness of redeeming grace.

In defining stewardship, W. H. Greever wrote, “Christian stewardship is the practice of the Christian religion. It is neither a department of life nor a sphere of activity. It is the Christian Conception of life as a whole, manifested in attitudes and actions.” Our faithful stewardship, as it reflects God’s love, becomes our approach to life. It is more being than doing. Our deeds of stewardship such as using time wisely or helping the needy arise out of being stewards. Stewards are who we are. Stewardship is a whole life response to God out of gratitude and thanksgiving for all of his love, goodness, and mercy. T. A. Kantonen wrote, “The life of stewardship is nothing less than ‘total devotion’ to the Christ who is known as a real, living personal presence in the hearts of believers, a genuine loyalty that is expressed not in mere opinion or sentiment but in character and conduct.”

It does not take talented people to be faithful stewards, but it takes all there is of us. It takes our total commitment. Stewardship is our response to God’s abundant grace in all aspects of life. This faithful stewardship is only possible when we acknowledge our sinfulness and our forgiveness through faith in Christ. God gives us faith so he can use us to carry out his plan, which is to save all people. Through the work of the Holy Spirit, we acknowledge God in all things and in all places. As faithful stewards, we know that all we have belongs to him so we can give generously of our time, talents, and money. “Some take pride in chariots, and some in horses, but our pride is in the name of the Lord our God.” (Psalm 20:7)

“I have learned to manage on whatever I have. I know how to be poor and how to be rich... There is nothing I cannot master with the help of the one who gives me strength.”

PATHWAY TO THE ALTAR

One of the highlights of summer on Long Lake is the Outdoor Worship Service held at Long Lake Lutheran each Sunday morning from Memorial weekend through Labor Day.

For almost 20 years church members, relatives and neighbors arrive at the church parking lot, open their trunks and remove lawn chairs or borrow one from the church. Then casually prepare for church in a beautiful outdoor setting surrounded by trees, singing birds and the “pathway to the altar”.

Neighbors, visitors, relatives and former members are warmly welcomed by Pastor Mary and the entire congregation.

With 100% support pledged by the church Council and with a budget of $70,000, plans have been approved to update, improve and expand our worship experience. As of this date, over 65% of the funds have been raised.

Following the worship service have a cup of coffee and a pastry - and look over the blueprint of the planned new worship area and columbarium area - we would be glad to share our plans with you.

Walking with Paul

The old adage, “It’s good to go, but it’s good to come home,” is so true. It was great to go on vacation with my daughter and granddaughters; it was great to see new people and new sights; it was great to learn more about the history of our country. I loved it all, but we were all ready to come home. On our flight home I began to wonder, “Could the Apostle Paul have thought that same thing?” Did he ever just want to go home? Well...we know that Paul did want to go home – home to be with Jesus. He was homesick for Jesus, and yet his desire was to serve and spread the love of God to all, even the Gentiles.

Paul has always been an important figure in my faith life. In the beginning, Paul not only did not believe Jesus was the Messiah, he wanted to kill anyone who did believe in Jesus. Paul was a passionate enemy of Jesus. He was committed to the destruction of “the Way,” and yet he became the most ardent believer, defender, and missionary of Jesus. Something dramatic must have happened that he was now ready and willing to be killed, rather than to kill, for the love of Jesus. In fact, Paul went on to write over a 1/3 of our New Testament and within those letters we find so much of what we believe. So who is the real Paul? How and why did he get to be such an important figure, not just in my faith-life but for us all? Why did Paul choose to go the places he went...or did he choose? What prompted him to write so many letters, and how do they impact our lives yet today?

Together, we will walk the journey of Paul. We will explore the man, his faith, his journeys, his letters. We will watch video clips, sing a little, and, hopefully, learn a lot. All this will begin on Wednesday, September 10th with Paul - the Man. Then 1 Wednesday each month we will explore one of Paul’s letters in the order in which they were written.

Let’s walk with Paul...

No materials needed. Attend every month – or when you can.

More information will be forthcoming.
Dorcas-Nobleton Circle Meets on the second Wednesday of the month (next meeting August 13th) at 9:00 a.m.

Remember when...Dorcas-Nobleton Circle was Dorcas Circle and Nobleton Circle? Originally, Long Lake Lutheran had 2 Circles - Nobleton on the west side and Dorcas to the east. The Nobleton name came from Nobleton School and Dorcas...well,

Dorcas - the woman full of God's works. Tabitha, which translated means Dorcas, was a woman and disciple who lived in Joppa and dedicated herself to the needs of the many. Dorcas did not go to the mission field but she found a field of endeavor at her doorsteps. The true widows of Joppa became Dorcas' responsibility. In every Christian group there will be a number of needy persons who will come to depend upon the church. Think what godly women can do by way of service in such needy cases. They can give themselves to good works in the church by sewing, by nursing, by aiding, and their labored will be recognized of value by God.

Now days there is the one Circle, women who come together once a month to study the Bible following the lessons in The Gather, the ELCA magazine for women. Come, listen, share, learn and pray the second Wednesday of the month at 10am at the church beginning August 13th.
